

**Alternative Transportation Committee**  
**Minutes for December 6th, 2017**

6:30 PM at the Town Hall.

Present: Kurt Johnston, Mike Oman, Sue Cromwell, Ann Linde.

Minutes from last meeting approved.

Mike reported back to us about the CATMA meeting he attended. They seem interested in working with us as they expand their programs. Discussed, again, the benefits of us joining their ETC program as it is free and would get us educational programs, networking, potential access to ride share matches, PASS program for GMT, and van pooling.

Discussed presenting this idea to the Selectboard, once we have more details.

Presentation by three representatives of Mount Mansfield Village Community (a local and newly forming branch of Village to Village Network) Betsy Harper, Judy Hutchins and Nancy McRae. They were invited to our January 11th public meeting.

We set our meeting schedule through April to be the third Wed of the month.

We hope to have a poster done soon advertising the Jan 11<sup>th</sup> meeting.

Meeting adjourned 7:30  
Next meeting 1/17

Ann Linde, Scribe.
